Dear Michele Drouilly,

My good friend Nery Barrientos asked me to send you a copy of an article I wrote about my visit to Villa Grimaldi in April with my wife. Our experience was deeply emotional.

I hope the article meets with your approval. I took the liberty of using two images from the park's promotional/educational materials – a photo from the Villa Grimaldi brochure and an image from the web site – to help illustrate the story. I made sure that the photo credits pointed to your web site, in hopes that people will visit it and perhaps think about making their own visit to the park.

Best wishes to you in all of your very important work.

Sincerely,

Mark Almberg
